

**Greater Shepparton Connected Community** – Board positions currently available.

Visit [website](#) or contact Jessica Watt on 0409 016 260 or [admin@sheppartoncc.com](mailto:admin@sheppartoncc.com)

Greater Shepparton Connected Community Ltd is a board independent of the Bendigo Bank, it was established in 2014. Greater Shepparton Connected Community is funded by the generous support of the Bendigo Bank Shepparton, through tagged accounts. At no cost to the account holder, the Bendigo Bank pay a small commission to Connected Community for distribution to the community through a grants program. The Board manages the grant program and those funds are distributed to community groups within the municipality, through two funding rounds each year. Since it's establishment, GS Connected Community has funded over 110 projects totalling more than \$600,000.

The board meet on 5 times a year on Tuesday evenings (February, April, May, September, October), and conduct two grant rounds and presentation nights per year (June and November).

Outside of meetings there are opportunities for the board to speak to individuals, business and the community about the Connected Community, to increase the number of tagged accounts, and ultimately grow the pool of funds available for distribution.

We're seeking community minded board members who are keen to contribute to the Greater Shepparton region. It's not a huge time commitment, and it is a great starting point for those who are interested in being on a board, as well as those who have board experience who may not necessarily have a lot of time to commit.

50% of the board are either Fairley Alumni or currently undertaking the Fairley Leadership Program with Goulburn Murray Community Leadership.

Positions vacant include Secretary and Treasurer, as well as ordinary board members.

If this sounds like you, feel free to connect with any of the board, check out our website <https://www.sheppartoncc.com/>, or contact the chair Jessica Watt on 0409 016 260, and email your resume to [admin@sheppartoncc.com](mailto:admin@sheppartoncc.com)
